SBCN Christmas Social

The COVID-19 situation continues to impact the physical side of our events... this year we're celebrating virtually and you're invited to join us as we get our festive fix.

In addition to the fun networking that we're best known for, we'll also have our famous SBCN Quiz.

And again this year the bar is virtual too, so bring your own festive drink as we celebrate together!

Put your webcam to use and show us your favourite festive look.

Invite your business connections, your friends, partners... and since we're virtual, your pets are welcome too!
